

2.6.1 Students performance and learning outcomes

All the courses and programs offered by our institution are as per the guidelines of Karnatak University Dharwar. Our institution runs UG courses in Arts, Science and Commerce along with PG in commerce (M com) and PG in kannada (M A).

After graduation few students pursue higher education in different streams and few other students look after their family business. Most of the post graduate students go for jobs and they even opt for special classes for banking and competitive examination.

Academic programs in UG and PG sections with outcomes related to final exam results of 2019 20 (both odd and even semesters) are as follows.
