Principal Communique

Dear Students,

We heartily welcome you to our esteemed institution with an opportunity to excel in your career. We are very happy to meet you through this page of our college prospectus. Anjuman Arts, Science, Commerce College & G Centre has stood above the rest in its approach to education and in its pedagogies. We call upon our Students to rise to the rapid changing world through quality education and knowledge power.

Education is a process by which a person's body, mind and character are formed and strengthened. Education is for transformation to be able to think by one self, to be able to relate to others meaningfully and to understand the world and society clearly. One has to note that Education is the most important wealth amongst all.

Today, apart from general education, business education is changing very rapidly. In today's context practical understanding of the business education and ability to analyze the problems are very important issues.

Our Honorable Management and learned members of the faculty are committed to work tirelessly to unleash the hidden potential of our rural students for achieving excellence. It is our motto that our students will achieve excellence they never made before.

I am also elated to say that, our college has been reaccredited (second cycle) by the National Assessment and Accreditation Council (NAAC) and awarded 'B' Grade.

We expect our student's active participation in their curricular and co-curricular activities for enhancing their knowledge and forming one's personality.

We also expect from our students to maintain self imposed discipline in the class rooms and college campus and adhere to the rules and regulations of the college.

I wish each and everyone of you all the success in all your endeavours.

For any information or any kind of your difficulty, you are advised to contact the Principal/Office Superintendent during office hours of the college.

Prof. Mushtaque K. Shaikh
