Report on Workshop: Scientometrics/Informetrics: Emerging Research Areas

Date: January 21, 2021

Venue: P. G. Computer Lab, Anjuman Arts, Science and Commerce College, Bhatkal

Resource Person: Mr. Afzal G. Jamadar, Librarian, Department of Library and Information Science

Number of Attendees: 24 faculty members

Introduction

On January 21, 2021, Our Anjuman Arts, Science and Commerce College, Bhatkal, conducted a workshop titled "Scientometrics/Informetrics: Emerging Research Areas." The session was led by Mr. Afzal G. Jamadar, Librarian in the Department of Library and Information Science. The workshop aimed to provide faculty members with insights into the emerging trends and research areas within scientometrics and informetrics.

Program Overview

1. Opening Invocation

The workshop began with an opening invocation by Mr. A.R. Muneeb Kadli, Lecturer in the Department of Chemistry. He recited verses from the Holy Quran, setting a reflective and respectful tone for the workshop.

2. Introduction of the Resource Person

Mr. Ganim Mohtesham, Lecturer in the Department of Commerce, introduced Mr. Afzal G. Jamadar. He highlighted Mr. Jamadar's expertise in the field of Library and Information Science and his presentation on scientometrics and informetrics.

3. Main Workshop by Mr. Afzal G. Jamadar

Mr. Afzal G. Jamadar presented a comprehensive overview of "Scientometrics/Informetrics: Emerging Research Areas." The key topics covered included:

- **Introduction to Scientometrics and Informetrics:** An explanation of scientometrics and informetrics, their definitions, and their importance in research evaluation and information science.
- **Emerging Research Areas:** Insights into new and evolving research areas within scientometrics and informetrics, including data analysis techniques, bibliometric studies, and the impact of digital technologies on research metrics.
- **Methodologies and Tools:** Overview of methodologies and tools used in scientometric and informetric research, including citation analysis, network analysis, and database metrics.

- **Case Studies and Applications:** Presentation of real-world examples and case studies illustrating the application of scientometric and informetric methods in various research fields.

Mr. Jamadar's presentation provided valuable knowledge and practical insights into the latest trends and techniques in scientometrics and informetrics.

4. Interactive Discussion

The workshop included an interactive discussion session where Mr. Ganim Mohtesham asked in-depth questions about the methodologies and applications of scientometrics and informetrics. This discussion facilitated a deeper understanding of the topics covered and encouraged active engagement among the participants.

5. Vote of Thanks

The workshop concluded with a vote of thanks delivered by Mr. Ganim Mohtesham. He expressed gratitude to Mr. Afzal G. Jamadar for his insightful presentation, acknowledged the contributions of the attendees, and thanked the organizing team for their efforts.

6. Appreciation

The Principal and IQAC Coordinator attended the workshop and commended Mr. Jamadar for his excellent presentation. Their appreciation highlighted the significance of the workshop in enhancing the faculty's knowledge of emerging research areas.

Key Takeaways

- **Understanding Scientometrics and Informetrics:** Gained a comprehensive understanding of the concepts and importance of scientometrics and informetrics.
- **Emerging Trends:** Learned about the latest research areas and methodologies in the field.
- **Practical Applications:** Enhanced understanding of how to apply scientometric and informetric methods in research.

Conclusion

The workshop on "Scientometrics/Informetrics: Emerging Research Areas" was a highly informative and engaging event for the 24 faculty members who attended. Mr. Afzal G. Jamadar's expert presentation provided valuable insights into the evolving field of scientometrics and informetrics. The interactive discussions and the overall feedback underscored the workshop's success in advancing the faculty's understanding of these important research areas.
