CARTA DE ADMIRACIÓN

Dear Prof. Arogyaswami karadi,

Greetings from 'Anjuman Degree college'

At the very outset let me congratulate you on your wonderful and equally inspiring session for our students. It feels really great that someone's there who cares for student community and that too at a closest distance, like for example you are.

You showed eagerness in conducting this session, the kind of attitude that you possess, your care for students and that too without expecting even a penny from any student is commendable.

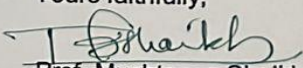

Students have, after the session, gone home with colorful ideas about one of the toughest subject like "Sale of Goods Act" in their minds the credit of which must go to you solemnly.

We are waiting for such many more occasions to host you; we sincerely hope that the time you spent here at 'Anjuman' was memorable to you.

Please share your insights about how we, as an organization, can improve. We are all ears for your honest and creative criticisms.

Thanking you for your patience and care,

Yours faithfully,

Prof. Mushtaque Sheikh,
