

3.4.1. Outcomes of Extension activities in the neighbourhood community in terms of impact and sensitising the students to social issues, for their holistic development during the last five years.

Write a description in a maximum of 500 words.

Over the past five years, our college has conducted various extension activities to boost community involvement and student development. From environmental initiatives to social issue lectures, these activities have significantly impacted both the local community and the students. This report highlights the outcomes, focusing on their effects on community welfare and student awareness.

Environmental Initiatives

1. **Swachh Sagar Abhiyan and Anti-Plastic Rally:** By participating in these activities, students became more aware of environmental sustainability. The practical involvement in cleaning drives and rallies contributed to a cleaner neighbourhood and instilled a sense of responsibility towards environmental conservation.
2. **World Environment Day and Vanamahotsava:** Students actively participated in planting trees and sowing seeds, which not only contributed to the local green cover but also sensitised them to the importance of preserving natural resources.
3. **Cleaning Activity and Planting of Saplings:** These activities improved the local environment while simultaneously fostering a sense of community service among students. This hands-on experience was instrumental in developing a practical understanding of environmental stewardship.

Social Awareness and Sensitization

1. **Lectures on Human Values and Folklore Literature:** The lectures on "Human Values in Folklore Literature" and "Vachana Sahitya and Kayaka Philosophy" provided students with insights into ethical values and cultural heritage. This deepened their understanding of human values and encouraged them to appreciate and preserve cultural narratives.
2. **Lectures on Youth and Social Issues:** Topics such as "Youth Power and Nation Development," "Role of Youth in Rural Development," and "Youth in

Eradication of Corruption" were crucial in highlighting the role of youth in national progress. These lectures motivated students to take active roles in societal development and address pressing issues like corruption and rural challenges.

3. **Anti-Drug Rally and Anti-Plastic Rally:** These rallies were significant in raising awareness about drug abuse and plastic pollution. By participating, students not only contributed to spreading awareness but also learned about the adverse effects of these issues on society.

Community Service

1. **Visit to Sneha Special Training School:** Donating essential items to Sneha Special Training School showcased the students' commitment to supporting differently-abled individuals. These activities were instrumental in fostering empathy and social responsibility.
2. **Annual Donations to the Indian Association for the Blind and National Foundation for Communal Harmony:** It has created a sense of charity to the needy and a healthy society.
3. **Distribution of Fruits to Government Hospital Patients:** This initiative highlighted the importance of caring for the less fortunate. By engaging in such activities, students experienced firsthand the impact of small acts of kindness on community health and well-being.

Educational Enhancement

1. **Lectures on Personality Development and Media Responsibilities:** Topics like "Personality Development" and "Mass Media and Its Responsibilities" were essential in equipping students with skills for personal growth and understanding their role in media ethics. These lectures contributed to the development of well-rounded individuals who are aware of their societal roles.
2. **Conservation of Natural Resources:** The lecture on "Utilisation and Conservation of Natural Resources" educated students on the importance of sustainable resource management. This knowledge is critical for making informed decisions that support environmental sustainability.
