Blood Donation Camp at Anjuman Degree College

Date: 30th December 2021

Introduction:

A blood donation camp was organized jointly by the NSS (National Service Scheme) unit and the Scouts and Rovers Club of Anjuman Degree College in association with the District Hospital Udupi. The event took place on 30th December 2021 at 10:30 am, with nearly 100 enthusiastic students in attendance.

Formal Function:

The camp began with a formal function, graced by the presence of distinguished guests, including Dr. Savita Kamath, who delivered an informative presentation covering various aspects of blood donation. Mr. Muzammil Kazia, the President of Anjuman Hami-e-Muslimeen, emphasized the significance of such initiatives and stressed the need for conducting them frequently. The formal function concluded with a vote of thanks by the Principal, Prof. MK Shaikh.

Blood Donation Activity:

Following the formal function, the blood donation activity commenced. Students and volunteers actively participated in the donation process, demonstrating their commitment to serving society. The event proceeded smoothly, thanks to the collaborative efforts of the organizing committees and the support from the District Hospital Udupi.

Conclusion:

The blood donation camp concluded at 1:30 pm, having collected approximately 30 units of blood. The success of the event was further enhanced by the presence of esteemed dignitaries, including the General Secretary, Additional General Secretary, and College Board Secretary.

The event served as a platform to raise awareness about the importance of blood donation and its impact on saving lives. The active participation of students and the support from various stakeholders ensured the success of the camp. Such initiatives play a crucial role in fostering a spirit of service and humanitarianism among the youth, enabling them to make a positive difference in society.

The joint efforts of the NSS unit, Scouts and Rovers Club, and the District Hospital Udupi in organizing this blood donation camp are commendable. It is hoped that such initiatives will continue in the future, promoting the noble cause of blood donation and contributing to the betterment of society as a whole.
