REPORT ON COLLEGE CAMPUS CLEANING

Introduction

On May 30, 2022, the NSS (National Service Scheme) wing of our college organised a **campus cleaning campaign** under the scheme called **Swachchata Pakwada** with active participation from both students and faculty members. The primary objective was to promote civic sense, raise awareness about cleanliness, and foster a sense of responsibility among the college and local community.

Participants

- **More than 05 lecturers** and **27 students** enthusiastically joined this initiative.
- Their collective effort aimed to create a cleaner and healthier environment in and around our college premises.

Activities Undertaken

1. Awareness Sessions:
 - NSS volunteers visited all the classes and conducted briefings on the importance of maintaining a clean campus.
 - Students were advised not to litter by throwing waste papers, water bottles, or other unwanted items around the college. Such practices are unhygienic and detrimental to the overall well-being of everyone.
2. Clean-Up Drive:
 - Students actively participated in cleaning various areas of the campus and surrounding.
 - Emphasis was placed on maintaining hand hygiene and cleanliness in restrooms.
3. Teacher Participation:
 - Approximately **05 teachers** actively managed the cleanliness campaign.
 - Their involvement played a crucial role in ensuring the success of the initiative.

Outcomes and Challenges

- The campaign successfully instilled in students the understanding that cleanliness and hygiene are essential for healthy living.
- However, the participation fell short of expectations.
- Some students remained uninterested or failed to recognize the significance of cleanliness.

- Going forward, the NSS unit aims to address this challenge by motivating and encouraging more students to actively participate in such campaigns.

Conclusion

The NSS wing's efforts in organising the campus cleaning drive exemplify our commitment to maintaining a clean and hygienic environment. By collectively working toward this goal, we can create a positive impact on our college community and inspire others to follow suit.

Let us continue to nurture a sense of responsibility and pride in our college, making it a beautiful and welcoming place for all.
