REPORT ON ACTIVITY OF PLANTING SAPLINGS AND SOWING SEEDS BY NSS UNIT

Organized by: NSS Unit

Under the Guidance of: NSS Officer Prof. Manjunath Prabhu

Date: 02-03-2019 to 08-03-2019

Venue: Govt. Higher Primary School, Gandhi Nagar, Heble, Bhatkal

Time: 10:00 AM

Number of NSS Volunteers: 54

Number of Staff Members: 04

Introduction: The NSS Unit of our college, under the guidance of NSS Officer Prof. Manjunath Prabhu, organized a week-long activity of planting saplings and sowing seeds from 02-03-2019 to 08-03-2019 at the Govt. Higher Primary School in Gandhi Nagar, Heble, Bhatkal. The primary objective of this initiative was to promote environmental sustainability, biodiversity, and greenery in the local community while fostering a sense of environmental consciousness among the participants.

Activities Undertaken: The activity involved various tasks aimed at enhancing the green cover and ecological diversity within the school premises and surrounding areas. NSS volunteers enthusiastically participated in planting saplings of native tree species, flowering plants, and shrubs in designated areas around the school campus. Additionally, they also sowed seeds of vegetables, herbs, and medicinal plants in the school garden, promoting organic farming practices and sustainable agriculture.

Community Participation: The activity received active participation from the residents of Heble village, who joined hands with the NSS volunteers in their endeavor to beautify the surroundings and promote environmental conservation. This collaborative effort not only enhanced the aesthetic appeal of the locality but also fostered a sense of ownership and responsibility towards environmental stewardship among the community members. The enthusiastic involvement of the local populace underscored the collective commitment towards environmental sustainability and community development.

Impact and Outcome: The week-long activity of planting saplings and sowing seeds yielded positive results, with a noticeable improvement in the greenery and biodiversity within the school premises and surrounding areas. The newly planted saplings and seeds not only beautified the environment but also contributed to mitigating air pollution, conserving soil, and providing habitat for local flora and fauna. Furthermore, the initiative served as a platform for raising awareness about the importance of environmental conservation and sustainable living practices among the participants.

Acknowledgment and Gratitude: The NSS Unit extends its heartfelt gratitude to all the volunteers, staff members, and residents of Heble village who actively participated in the planting of saplings and sowing seeds activity. Special thanks to NSS Officer Prof. Manjunath Prabhu for his exemplary leadership and guidance throughout the initiative. The collective effort and dedication demonstrated by everyone involved exemplify the spirit of service and environmental stewardship promoted by the NSS.

Conclusion: The activity of planting saplings and sowing seeds organized by the college NSS unit under the guidance of Prof. Manjunath Prabhu exemplifies the commitment to environmental sustainability and community engagement upheld by the organization. Through collaborative efforts and collective action, the initiative not only beautified the surroundings but also fostered a sense of environmental responsibility and stewardship among participants. The NSS Unit remains committed to organizing such initiatives that contribute to the well-being of the environment and the community.
