REPORT ON SWACHHATA PAKHWADA EXTENSION ACTIVITY

1. Introduction

On December 13, 2019, the NCC (National Cadet Corps) unit of our college actively participated in the Government of India's Swachhata Pakhwada, a cleanliness campaign aimed at promoting sanitation and hygiene. The activity began with an informative session in ICT-enabled Classroom No. 02, followed by practical activities involving campus and surrounding area cleaning and sapling planting. This report outlines the activities conducted and the impact of the extension activity.

2. Objectives

- To participate in the Government's Swachhata Pakhwada campaign and contribute to the promotion of cleanliness and hygiene.
- To engage cadets in practical activities that align with the goals of Swachhata Pakhwada.
- To enhance the cleanliness of the college campus and its surroundings and contribute to environmental sustainability through sapling planting.

3. Program Details

a. Planning and Preparation

- **Coordination:** The NCC unit coordinated with college authorities to organize the event, including scheduling the activities and arranging necessary materials and equipment.
- **Material Preparation:** Cleaning supplies and saplings were procured, and a presentation on Swachhata Pakhwada was prepared to inform and engage the cadets.

b. Event Schedule

1. Informative Session

- **Opening Address:** The event began in ICT-enabled Classroom No. 02 with an address by the Principal. The Principal highlighted the importance of cleanliness and the significance of Swachhata Pakhwada in fostering a culture of hygiene and environmental responsibility.
- **Presentation:** The NCC Coordinator delivered a detailed presentation on the Swachhata Pakhwada scheme. The presentation covered the objectives of the

campaign, key activities, and the expected outcomes of participating in the cleanliness drive.

2. Practical Activities

- **Campus Cleaning:**
 - **Cleaning Tasks:** Following the presentation, the cadets engaged in cleaning activities around the campus. Tasks included sweeping, mopping, and collecting litter from various areas including classrooms, hallways, and open spaces.
 - **Team Coordination:** Cadets were organised into teams to ensure that all areas of the campus were covered efficiently and thoroughly.
- **Surroundings Cleaning:**
 - **External Areas:** The cleaning drive extended to the surrounding areas of the college, including streets and public spaces adjacent to the campus.
 - **Trash Collection:** Cadets collected trash and debris from these external areas to improve the cleanliness of the local environment.
- **Sapling Planting:**
 - **Planting Activity:** In addition to cleaning, the cadets participated in planting saplings around the campus. This activity aimed to enhance the green cover and contribute to environmental sustainability.
 - **Guidance and Care:** Instructions were provided on how to plant the saplings properly, including digging the pits, placing the saplings, and watering them.

3. Post-Activity Reflections

- **Feedback Session:** After the completion of the cleaning and planting activities, a feedback session was held where cadets shared their experiences and reflections on the day's activities.
- **Acknowledgment:** The efforts of the participating cadets were acknowledged by the NCC Coordinator and college staff, reinforcing the value of their contributions to the Swachhata Pakhwada campaign.

4. Outcomes and Impact

- **Improved Cleanliness:** The campus and surrounding areas were significantly cleaner following the event, contributing to a healthier and more pleasant environment for students and staff.

(AFFILIATED TO THE KARNATAKA UNIVERSITY, DHARWAD)

- **Increased Awareness:** The presentation and activities helped raise awareness about the importance of cleanliness and sanitation, aligning with the objectives of Swachhata Pakhwada.
- **Environmental Contribution:** The planting of saplings added to the green cover of the campus, supporting environmental sustainability and enhancing the aesthetic appeal of the surroundings.

5. Challenges

- **Resource Management:** Coordination of cleaning supplies and saplings required careful planning. Future activities may benefit from improved resource management.

6. Recommendations

- **Enhanced Planning:** Improve planning and coordination for future cleanliness drives to ensure smooth execution and optimal impact.
- **Broader Involvement:** Increase outreach efforts to involve a larger number of students and staff in similar activities, promoting broader community engagement.
- **Continuous Initiatives:** Implement regular cleanliness and environmental sustainability initiatives to maintain high standards of hygiene and green cover.

7. Conclusion

The Swachhata Pakhwada extension activity on December 13, 2019, was a successful initiative that aligned with the Government's cleanliness campaign. The informative session, practical cleaning, and sapling planting activities effectively contributed to the goals of Swachhata Pakhwada. The active participation of NCC cadets, combined with the support of college staff and the Principal, highlighted the commitment to fostering a clean and sustainable environment. The positive outcomes and feedback underscore the importance of continued efforts in promoting cleanliness and environmental responsibility.
