Report on “VANAMOHOTSAVA” Tree Plantation Activity

Introduction

On **August 08, 2018**, the **NSS (National Service Scheme)** unit of our college organized a tree plantation drive called “**Vanamohotsava**.” This initiative aimed to promote environmental awareness, biodiversity, and sustainable practices by planting trees within our college campus.

Participants

The event witnessed enthusiastic participation from various stakeholders:

1. **Principal of the College:** *Prof. Mushtaque Shaikh*
2. **Vice Principal:** *Prof. Saheel Mujawar*
3. **Secretary of the College Board:** *Mr. Javeed Hussain Armor*
4. **Additional General Secretary:** *Mr. Ishaq Shabandri*
5. **NSS Officer:** *Prof. Manjunath Prabhu*
6. **40 Students:** These dedicated students actively contributed to the tree plantation efforts.

Activities

The day began with a brief inauguration ceremony, where the dignitaries addressed the importance of tree conservation and the role of students in environmental protection. Following this, the participants gathered near the designated planting area.

Tree Plantation

Under the guidance of Prof. Manjunath Prabhu, the students planted a variety of saplings, including native species such as neem, banyan, and mango. Each student took responsibility for nurturing and caring for their assigned tree. The NSS unit ensured that proper techniques were followed during planting to maximize survival rates.

Significance

“Vanamohotsava” holds immense significance for several reasons:

A.H.M.'s
ANJUMAN ARTS, SCIENCE AND COMMERCE COLLEGE,
ANJUMANABAD, BHATKAL-581320
(AFFILIATED TO THE KARNATAKA UNIVERSITY, DHARWAD)

1. **Ecological Balance:** Trees play a crucial role in maintaining ecological balance by absorbing carbon dioxide and releasing oxygen. They also provide habitat for various wildlife species.
2. **Climate Regulation:** Trees contribute to climate regulation by reducing heat, providing shade, and preventing soil erosion.
3. **Community Bonding:** The event fostered a sense of community and environmental responsibility among the participants.

Conclusion

The “Vanamohotsava” tree plantation activity was a resounding success, thanks to the collaborative efforts of the college administration, students, and NSS volunteers. It not only beautified our campus but also contributed to a greener and healthier environment.

Let us continue to nurture these saplings and watch them grow into mighty trees, symbolizing our commitment to nature and sustainability.
