REPORT ON OUR VISIT TO SNEHA SPECIAL TRAINING SCHOOL, BHATKAL

Date: February 10, 2020

Location: Sneha Special Training School, Bhatkal, Karnataka, India

Introduction: Our college lecturers and students embarked on a heartwarming visit to **Sneha Special Training School**, a haven for children with disabilities. The purpose of our visit was not only to donate essential items but also to engage with these remarkable children and create lasting memories.

Activities and Contributions:

1. **Donation of Beds:** We recognized the urgent need for comfortable sleeping arrangements at the school. With great enthusiasm, we donated **several sturdy beds** to ensure that the children have a restful night's sleep. The joy on their faces as they explored their new beds was truly heartwarming.
2. **Financial Assistance:** Understanding the financial constraints faced by the school, we extended our support by providing a **monetary contribution**. This fund will be utilised for various purposes, including educational materials, therapy sessions, and infrastructure improvements.
3. **Playtime and Interaction:** The highlight of our visit was spending quality time with the children. We engaged in playful activities, including games, drawing, and storytelling. Their laughter and innocent enthusiasm filled the room, erasing any barriers between us. It was a beautiful reminder that joy transcends all differences.

Impact and Reflection: Our visit left an indelible mark on our hearts. We witnessed resilience, determination, and unwavering spirit in these children. Despite their challenges, they radiate positivity and teach us valuable life lessons. As future educators, we are inspired to create inclusive environments where every child feels valued and empowered.

Conclusion: Our visit to **Sneha Special Training School** was more than a mere act of charity; it was an exchange of love, compassion, and shared humanity. We express our gratitude to the school staff, who work tirelessly to nurture these young souls. May our efforts contribute to a brighter future for these extraordinary children.
