ABOUT ADD-ON COURSE

Add-on courses are short-term training programs that are designed to supplement the core curriculum of a degree program. These courses are usually offered as certificate or diploma courses, and they provide students with additional skills and knowledge that are relevant to their field of study.

Principal's Message

Our college offers degree programme in Arts, Science and Commerce stream. All these courses are taught by experienced and dedicated faculty. At our college we make effort of turning our students into useful component of our society. Along the way we have realized that in order to enhance the job readiness of our students it is necessary that along with their regular degree programme each student should undertake at least one add on course per semester. Our experienced teachers have designed these courses which have special relevance to each subject.

Wishing them all the very best!
