Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic diversity and Sensitization of students and employees to the constitutional obligations: values, rights, duties and responsibilities of citizens

A.H.Ms, Anjuman Arts, Science & Commerce College being a first Institution of Higher Learning in Bhatkal Taluka established in the year 1968 as a minority institution has its distinctive approach in catering the educational requirements and aspirations of the people in and around Bhatkal irrespective of caste, community and religion. College is regularly organizing seminars, guest lectures and other programmes on communal harmony and cultural diversity. Our college students and staff participate every year in Communal Harmony and oath taking function organised by SadbhavanaMunch, a local organisation for Communal harmony comprising leaders from different religion.

Special lectures are organised annually on National unity day and constitution day to create awareness about the importance of national unity and communal harmony. Students have ample opportunity to learn languages like Hindi, Urdu and Arabic other than English and Kannada. The College always encourages the students to organise and participate in different programmes organised by college, inter-college, university and other Government or nongovernment organization to make them sensitize towards cultural, regional, linguistic, communal and socio economic diversities. The faculty members enrich students with their knowledge regarding tolerance and harmony towards cultural, regional, linguistic, socioeconomic and other diversities.
