Annual Gender Sensitization Action Plan for the year 2019-20

Women's empowerment and gender equality are one of the primary concerns at Anjuman Arts, Science & Commerce College. We practice to bring a positive change in the attitude and support equity among genders within the institute and in our outreach.

Annual gender sensitization action plan is as follows:

- Promote awareness amongst Faculty Members, Staff and Students on issues like Health, Education, and Gender Equality through Workshops, Seminars, Debates and Quizzes.
- Organise a public awareness campaign through N.C.C and N.S.S units about anti-discrimination statute and mechanisms of protection against gender based discrimination
- Promoting activities related to health, nutrition, self-defense and entrepreneurship among the female students.
- Conduct workshops related to cybercrime, safety and security in hotels, offices and career enhancement for female students.
- Provide professional counselling to the students
- Conduct workshops that promote diversity and gender-sensitive communication for students and staff alike.
- Mentorship in college to be provided where faculty and students can approach in matters of gender-related issues.
