Event Report - Road Safety Week

Date: Thursday, 17th November 2022

The Road Safety Event, organized under the initiative of the Student Welfare Officer of our college, Mr. M. Ganim, was held successfully, marking a significant step towards promoting road safety awareness among the students. Ismail Ekkeri of B.Com 2nd Year served as the Master of Ceremonies, guiding the event proceedings with efficiency and enthusiasm.

The event commenced with the recitation of verses from the Holy Quran by Ainul of B.Com 2nd Year, setting a solemn tone for the occasion. Following this, a warm Welcome Speech was delivered in Kannada by the Head of Department of Kannada, Mr. RS Nayak, extending greetings to all attendees and emphasizing the importance of road safety in our daily lives.

Distinguished guests, including PSI Yalappa HM and PSI Jaddish, graced the occasion with their presence. They shared valuable insights and addressed the audience, shedding light on prevalent road safety issues and advocating for adherence to traffic rules and regulations.

The Principal of our College, Mr. Mushtaque Shaikh, extended the Vote of Thanks, expressing gratitude to all participants, organizers, and guests for their contributions towards making the event a success.

As part of the awareness drive, police officers collaborated with students to enact a skit, creatively portraying the significance of following traffic rules and regulations. This interactive session served to engage the audience and reinforce key safety messages effectively.

The event concluded with a thrilling Slow Bike Race, where numerous students enthusiastically participated while demonstrating their adherence to traffic rules and regulations. The active involvement of students in such activities underscored their commitment to promoting road safety within the college community.

In summary, the Road Safety Event served as a pivotal platform for raising awareness and fostering a culture of responsible road behavior among the students, faculty, and staff members of our college. Such initiatives are essential steps towards creating safer road environments and reducing road accidents in our society.
