Memorandum of Understanding (MoU)

Between

Anjuman Arts, Science and Commerce College, Bhatkal (the "College")

And

Madhura Granites, Shirali, Bhatkal (the "Firm")

1. Purpose

This Memorandum of Understanding (MoU) establishes a formal framework for collaboration aimed at providing students with valuable opportunities for internships and project work. Through this partnership, both parties are committed to enhancing the educational experiences of students by facilitating their engagement with real-world professional environments.

Objectives

- **Facilitate Student Access to the Firm's Facilities:** The objective is to ensure that students can utilize the Firm's resources, thereby enriching their learning experiences and enhancing their understanding of industry practices.
- **Provide Internship Opportunities:** This objective focuses on creating structured internship programs that enable students to acquire hands-on experience, develop relevant skills, and prepare for future career endeavors.
- **Support Project Work Related to the Firm's Operations:** The goal is to foster collaboration on projects that align with the Firm's operational activities, allowing students to apply their academic knowledge while contributing innovative solutions.

Scope of Collaboration

- **Internships:** The Firm will provide structured internships, each supported by designated mentors who will guide students throughout their experiences.
- **Project Work:** The Firm will collaborate on various projects, offering necessary guidance and resources to support students in their efforts.

Responsibilities

- **The College:** The College will be responsible for coordinating internship placements, ensuring student eligibility for participation, and providing the necessary academic support to facilitate the students' learning experiences.
- **The Firm:** The Firm will manage all logistical aspects of the internships, offer opportunities for engagement, and actively collaborate with students on relevant projects to foster their professional development.
