

Principal's Message:

Our college offers a degree program in Arts, Science and Commerce stream. All these courses are taught by experienced and dedicated faculty. At our college, we try to turn our students into useful components of our society.

Along the way, we have realized that to enhance our students' job readiness, each student should undertake at least one Add on Course per semester along with their regular degree program. Our experienced teachers have designed these courses to be especially relevant to each subject. We wish them all the very best!

About the course:

The "Multimedia and Windows" add-on course typically focuses on the integration of multimedia elements using Windows operating systems. Here's a breakdown of what such a course might cover:

Course Objectives

Understanding Multimedia: Learn about different types of multimedia (audio, video, images, and animations).

Using Windows Tools: Explore various multimedia applications available on Windows.

Creating and Editing Content: Gain skills in creating and editing multimedia content.

File Management: Learn how to manage multimedia files effectively in Windows.
