Principal's Message:

At Anjuman Arts, Science, and Commerce College, Bhatkal, we are deeply committed to the holistic development of our students. Our institution believes that education extends beyond the classroom, which is why we actively organize a wide range of initiatives, including workshops, seminars, and training programs.

These opportunities are designed to equip our students with the skills and knowledge necessary to succeed in today's competitive world. From professional development workshops to career guidance seminars, we strive to nurture their talents and ensure they are well-prepared for future challenges. Our dedication to student growth remains unwavering as we continue to foster an environment of learning, innovation, and personal development.

About the session

In today's dynamic job market, understanding career pathways after completing your degree is crucial for success. We invite you to participate in our online career guidance program titled "What After Degree?" This program is designed to provide students with valuable insights into various career options available after graduation, including higher studies, professional courses, and job opportunities across diverse fields. Participants will hear from experienced professionals and career counselors who will share their expertise on identifying individual strengths and interests, exploring potential career paths, and navigating the transition from academia to the workforce. The session will include practical advice on resume building, interview preparation, and networking strategies, empowering students to make informed decisions about their future. Join us to discover the possibilities that await you after your degree and take the first step toward a fulfilling career!

Objective:

The objective of the Career Guidance Program was to provide students and their parents with comprehensive insights into various career paths available after completing a degree in commerce.

The Student Welfare Wing of Anjuman Arts, Science and Commerce College, Bhatkal, organized an online Career Guidance Program for the degree students of the Commerce stream and their parents on 1st July 2021. The program was coordinated by Prof. Mohammed Ganim, a lecturer in commerce.

The session commenced precisely at 11:00 AM with Prof. Hibban, the Student Welfare Officer, hosting the event. Prof. Mushtaq K. Shaikh, the Principal of the college, extended a warm welcome to the guests and participants. Prof. Mohammed Ganim introduced the esteemed resource person, a highly experienced teaching faculty and professional trainer.

The resource person provided valuable insights into various career avenues available to students after completing their degrees. He elaborated on multiple fields, including finance, marketing, human resources, entrepreneurship, and higher studies. Additionally, the session was enriched with inspiring stories of successful individuals and their journeys, including his own success story, which was a notable highlight of the program. His personal journey served as a powerful example, motivating the students and their parents to explore and pursue their career aspirations with determination and confidence.

The program witnessed approximately 40 attendees, including both students and parents. The active participation of parents alongside students highlighted the collaborative effort in career planning and decision-making.

The program concluded with an interactive Q&A session, where students and parents actively participated and sought guidance on their career-related queries. The session ended with a vote of thanks by Prof. Hibban, the Student Welfare Officer, marking the conclusion of the program at 1:00 PM.

Feedback: The attendees expressed their appreciation for the insightful and motivational session. Many found the resource person's personal success story particularly inspiring and felt more confident about their career prospects after the program.
